Address : 44, Peelamedu, Coimbatore - 641004

Requisition from : Inspector of Police, Peelamedu Police Station
FIR No. : 122/2024, u/s 279 and 304A IPC
Inquest : Inquest under Section 174 Cr.P.C. conducted by the Tahsildar, Coimbatore on 19/02/2024
Body identified by : Smt. Selvi Ammal (wife) and Shri Ramalingam (brother)

External examination:
Body of an adult male, moderately built, rigor mortis present all over. Height 168 cm, weight approximately 64 kg. Post-mortem staining present over the back and fixed.

Injuries:
1. A lacerated wound 8 cm x 2 cm x bone deep over the left parieto-temporal region of the scalp.
2. Multiple abrasions over the left shoulder, left hip and both knees, sizes varying from 1 cm x 1 cm to 6 cm x 3 cm.
3. Compound fracture of the left femur, middle third.

Internal examination:
Scalp: extensive contusion corresponding to injury No. 1.
Skull: fissured fracture of the left temporal bone, 9 cm in length.
Brain: subdural and subarachnoid haemorrhage over the left cerebral hemisphere; brain matter congested and oedematous.
Thorax, abdomen and other organs: congested, otherwise normal.
Stomach: contained about 150 ml of partly digested food.

Viscera preserved:
Stomach with contents, portions of liver, kidney and blood sample preserved and sent to the Regional Forensic Science Laboratory, Coimbatore for chemical analysis.

Opinion as to the cause of death:
The cause of death is shock and haemorrhage as a result of the head injury sustained, consistent with a road traffic accident. All the injuries are ante-mortem in nature. Time since death at the commencement of examination: approximately 14 to 16 hours.
